

The Freedom and Sovereignty Script

This is a very powerful cleansing process. Follow the directions **precisely** if you choose to use it. Use this script as spiritual hygiene to keep you feeling your best.

- **The first time you use this script**, it is recommended to read the entire thing. Once you get more comfortable using it, you can read the sections which specifically resonate for you.
- **Always finish script with paragraph "Claiming Energy", on page 2. to claim your sovereignty.**
- **Be in your authority**, and read or recite this script Aloud Outside of your home or dwelling, keeping the space above your head as clear as possible.
- **Send everything to the light** (*never to an object or person*).
- **After speaking a line of the script**, take 3 to 5 breaths, noticing any sensations, and returning to stillness in the abdomen before moving on.
- **Use Epsom or other salts** on your body in the shower or bath following this clearing.
